

**Arnold Preservation Council
Annual Membership Report for 2015**

APC ended 2015 with the following membership totals:

Individuals/Households 34
Community/Homeowner Associations 17 (representing 2634 households)
Businesses 4
Institutions 2
Organizations 1
Total Voting Members 58
Friends 17
Total Voting and Friends 75

Our membership is growing, albeit modestly. Over the course of 2015, APC made a greater effort to increase memberships of community and homeowner associations. The strategy was moderately successful with the addition of four new memberships in that category. This campaign will continue in 2016 with the goals of providing APC representation to more local communities and strengthening APC's voice on matters affecting Arnold.

The Board of Directors decided to keep 2016 dues the same.
