FEBRUARY MEETING

The meeting on February 10th was called to order by Elizabeth Rosborg, President, at 7:35 p.m.

The county was unable to send a representative to speak on the updated master water and sewer plan, but did send answers to numerous questions.

Please note that copies of everything presented and discussed are posted on our website on the Action Alert page.

President's Report Elizabeth Rosborg

Mrs. Rosborg informed the members that with the help of Councilman Ladd, the stormwater run-off on East Joyce Lane was being addressed by the county. She and Mr. Ladd have seen the road flooded and were concerned about the current condition, as well as the potential impact by future development. Councilman Ladd was able to add it to the list of Public Works agenda items.
