Volume 15 No 6

June, 2014

Since we didn't have a June meeting, we wanted to keep you updated on Arnold happenings ☺

We did write a letter to the Maryland State Highway Administration regarding the Route 2 median appearance. We also asked for the removal of the black silt fences around the Bio-Swales and for the general improvement of the median appearance. They did respond and are working on it.

The Mill Creek Sewage Spill Community Meeting power point presentation is available on our website Action Alert page.

The large sign on Route 2 north advertising Hawthorne's Grant before Joyce Lane has been removed.

A letter to the *Capital* regarding campaign signs was submitted and published on June 22. A copy is on our website Action Alert page.
