Admiral’s Ridge – Now Open !!

After almost 7 years, Admiral’s Ridge has models open and for sale. They have a variety of models and different price points.

APC worked very hard with the 3 different owners on the appearance and are pleased to see the entry canopies, bay windows, dormers, full gable returns, sod and landscaping. A total of 42 townhouses are planned.

The water tower behind this development is scheduled to be painted and APC is in contact with DPW regarding those details. We do not know what color or exactly when yet, and will keep you posted.

College Parkway Center

The opening of Rite Aid is planned for July and they have started on the breezeway. APC is working with Reliable Companies on the proposed artwork in the breezeway and needs volunteer help to coordinate this undertaking. Please contact Elizabeth for more details.
