OLD BUSINESS

APC submitted concerns about the water access study findings regarding Spriggs Farm to Recreation & Parks. The next meeting of the county’s Water Commission, when the comments will be presented from the county to the commission, is on December 20th at 6 p.m. at 2664 Riva Rd, Chesapeake Room (2nd Floor)

Thank you to those who helped with the Lifeline 100 rest stop at Arnold Station on October 1st. We had over 100 people stop to enjoy a break and snacks. APC has already committed to support the event again in 2018. We have sponsored this rest stop since the event began five years ago.

NEW BUSINESS

APC along with Greater Severna Park Council (GSPC) requested and was granted a postponement for the Uchlyn Investments LLC Variance Hearing, originally scheduled for October 12th. New plans were submitted two days before the hearing and we requested more time to review those plans. The new hearing date is November 30th at 10:30 am at the Arundel Center.

County General Development Process (GDP) Begins

The County has set a schedule of 8 (6 remaining) “listening sessions” to learn more from citizens, and what they want from the planning process called “Plan 2040.” The notice of the listening sessions emphasizes the need for community input and a VISION for our future!

The remaining sessions for this year will be

November 30th at Old Mill High School

December 11th at Arundel High School
