Volume 19 No 2

April 2018

Spring has been busy for APC. First, thank you to County Executive Schuh for speaking at our March general membership meeting. Mr. Phil Hager also attended and as promised will return to answer more questions in May.

We hosted an Adopt A Highway clean-up on April 22nd and want to thank Steve & Sue Freeman, Chris Kerchner, Teresa Miller, and Elizabeth Rosborg who helped clean up 11 bags and various large items along Ritchie Highway.

The General Development Plan listening session are completed and have been summarized online at [Plan 2040 Kickoff - Public Engagement Summary](#)

All the comments for the [Broadneck Listening Session](#) are also available.

[Application to serve on Plan 2040 Citizen Advisory Committee](#) are now being accepted.

Finally, APC is looking for an intern to help maintain the APC Go Daddy Word Press website. We have a brand new website and would like to fully utilize it. We are also looking for a volunteer to help with some online research using the county land use GIS system, and we are still in need of a treasurer. If interested in any of these 3 volunteer positions, please contact Elizabeth Rosborg at (443) 603 – 7118.

River Groups Ask Schuh to Address Mud Floods

Three river groups are asking Anne Arundel County Executive Steve Schuh to adopt more aggressive action to prevent the “mud flood” phenomenon that devastates our waterways during downpours.

Very simple control measures can prevent the damage.

For more information check out their **March 29, 2018 press release –** www.severnriver.org
