Thank you to APC Board members Kathleen McCoun and Elizabeth Rosborg for planting the APC garden this spring. The B & A Trail is being used more given the Covid 19 stay at home order. We had a lot of people stop to say thank you and comment on how nice it looked. Even the husband of board member Teresa Miller, came riding by on his bike and was able to take our picture, while still social distancing, thank you Steve.

APC's Board has continued to meet via Skype however, APC **WILL NOT** meet in May, but hopes to see everyone again come September. In the meantime, the website will keep you best informed.
