On your mark, get set, go!

Yes, the **Friends of Anne Arundel County Trails** is sponsoring a “Race for the Trails” again this year. But given COVID, will be a wee bit different. It will be virtual. The Ten Mile 2021 Race will be run individually on the BWI Trail between Saturday, February 13th and Saturday, March 6th.

The race may be used as a training exercise for the Annapolis Striders 2021 Marathon and Half Marathon.

Runners have a choice of running five miles and turning around and returning to the starting point or running to the ten mile marker, recording their time, and then continuing around the circuit back to the starting point. Participants completing the course either way may send a selfie of themselves with their name and finish time to dreevans@comcast.net. Those photos will be promptly posted on the **Friends of Anne Arundel County Trails** Facebook page.

Be Like Steve!

Okay, who the devil is Steve and what did he do? Well, as the story goes, a fellow named Steve Smith voluntarily picked up bag after bag of trash from around the BWI Trail. Why did he do it? He did it because he knows trash does not belong messing up our parks and trails. Every individual who enjoys our county resources needs to take responsibility and take their trash home. Anne Arundel County has trash free parks and trails. Steve took the initiative, and the **Friends of Anne Arundel County Trails** wishes to thank him for his efforts.

So, **BE LIKE STEVE!**
